MOVE-IN AND MOVE-OUT CONDITION CHECKLIST

881 N Coulsen Dr, Apt 301

Saratoga Springs, Utah 84045

This checklist is provided under the Utah Fit Premises Act, Utah Code 57-22-4. Tenant must complete the move-in column, sign, and return this form to Landlord within five (5) days after taking possession.

Write what you actually see. "Good" is fine where everything is in order. Note every scratch, stain, chip, dent, or item that does not work, no matter how small. Photograph anything you note and email the photos to Landlord with this form.

Anything not written down here is treated as being in good, clean, and working condition at move-in, and Tenant may be charged for it at move-out.

The refrigerator, range and oven, range hood or microwave, dishwasher, garbage disposal, washer, dryer, whole-home water softener, and filtered shower heads belong to Landlord and stay with the unit. Test each one during the walkthrough and note anything that does not work.

Tenant name(s)	
Move-in date	
Move-out date

Other		

Additional notes

Move-in certification

I have inspected the Premises and the condition of every item is as I have written above. I understand that anything I did not note is treated as being in good, clean, and working condition, and that I may be charged at move-out for any difference beyond normal wear and tear.

Tenant 1, move-in — Date

Tenant 2, move-in — Date

Tenant 3, move-in — Date

Landlord signature, move-in — Date

Move-out certification

The move-out column above was completed jointly, or by Landlord after Tenant vacated. Amounts charged against the refundable portion of the deposit will be itemized in writing and delivered within thirty (30) days after Tenant vacates, as required by Utah Code 57-17-3.
